# ABOUT US

We are an Italian marketing agency **focused** on the product.  
With more than **13 years** of experience, between Europe and China.

Our history revolves around the *passion* for the product as a solution to all **promotional initiatives**.  
We turn *ideas* into products.

We leave nothing to chance: we proceed in *steps*.  
Before confirming an order, we produce a **sample**.  
We customize it with our client's *logo*.

We have been traveling around China for years in search of the right *solution*.  
We check the **productions**. We do lots of **quality checks**.

We care about the *living conditions of workers*, we require certifications.

All of them.
